SURVIVORS AND VICTIMS EMPOWERED STATEMENT OF PURPOSE

Survivors And Victims Empowered is a charitable nonprofit organization created to help prevent the criminal neglect and physical, emotional and sexual abuse of children and to help survivors of these childhood traumas in the recovery process. The organization's goal is to join with other organizations in both the public and private sectors to stop the abuse of children and remedy the damage caused by this abuse. To that end, we work in cooperation with others to raise awareness of these problems and to offer and implement positive solutions. Activities in furtherance of these goals include those which:

- a. Provide platforms through radio and television and other mass media sources for leaders and personalities to spread an educational message in support of family values, including, but not limited to the prevention of child abuse and neglect, the prevention of substance abuse, the support of emotionally and physically abused and neglected children, and the improvement of the quality of life for children and families internationally.
- b. Inform the public as to ethical and moral matters which are being discussed, legislated or enacted in various governmental bodies in the United States. However, the corporation will not support or endorse political candidates nor lobby for the passage of legislation, except as provided by law.
- c. Promote children who have been physically and emotionally abused or neglected with financial and "in-kind" assistance for medical, psychiatric or psychological treatment that will allow recovery from the results of physical and emotional abuse or neglect, and improve the quality of life for the child.
- d. Provide education, assistance, counseling and treatment of families in which physical and emotional child abuse or neglect, or substance abuse, takes place, or is thought to take place, so that such abuse or neglect can be prevented, to insure that children of such families receive proper care and treatment, and to improve the quality of life for children internationally.
- e. Provide funding or other support to organizations that qualify as exempt organizations under Section 501 (c)(3) of the Internal Revenue Code, or corresponding sections of any future federal tax code, that are actively working toward the treatment and prevention of child abuse and neglect, or substance abuse, or that are actively involved in improving the quality of life for children internationally.
- f. Provide children who have been abused or neglected with physical or emotional relief and support through the provision of toys or other recreational or support items, through the provision of recreational or counseling activities, and through the provision of food, clothing, shelter, medicine, or other "in kind" assistance which will improve the quality of life for children internationally.
- g. Provide assistance to the federal, state and local governmental services by sharing the corporation's resources with said governments, assisting said governmental services through financial and "in kind" contributions and cooperating with said governmental services to lessen their burdens and to facilitate their services to the public.
